

VETERANS OF THE BATTLE OF THE BULGE

*Dedicated to Commemorating The Battle of The Bulge
December 16, 1944 - January 25, 1945*

FLORIDA SOUTHEAST CHAPTER (62)

What is it that binds combat veterans together?

There is a special feeling when combat veterans get together. It's not friendship, we all have friends. Maybe it's because we shared those horrible days of war. Maybe it's because we are survivors and our lives could have ended at any time. Our relationship has been forged by a common experience and the comradeship we shared at a most difficult time. Let's go down memory lane and remember when all we had was each other.

The Veterans of the Battle of the Bulge was organized to honor the Americans who served in The Battle of The Bulge and to remember those who never made it home. VBOB is a non-profit educational organization which does not engage in either political, lobbying, or propaganda activities.

Those who were in this historical battle never forgot. Let us recall it together and make it memorable for all time.
